

Dear AAP Punjab MLAs,

With much due respect, we are very disappointed with recent activities in AAP Punjab units. We all NRIs worked very hard for four years and tried to support you all thru fundraising efforts, walked as volunteers on the ground with you all and executed calling campaigns to convince voters to vote for you all. We have witnessed our big Punjab leadership shrunk to almost zero.

We NRI teams, from USA, Canada, Europe, NZ and Australia we all support Mr. Sukhpal Singh Khaira and other MLAs who stood with Mr. Khaira on his side. It is time to show that for us Punjab is above everything. People of Punjab showed utmost faith in all of you and now it is your time to stand with people of Punjab.

We are requesting you all please stand with Mr. Khaira and stand with Punjab and our all 19-20 teams will support you guys fully. We also encourage you please join Mr. Khaira and your other MLAs at Bathinda on August 2nd for Volunteer Convention. If you need any help from us, please let us know.

Also, we appeal to all volunteers that please join this conference at Bathinda. If you need any help with rides, Bus fares or any other help our teams can help with anything.
